

User Data Deletion Policy

This policy describes how users can request the deletion of their data collected through our application, in compliance with Facebook's data protection policies.

1. Data Collection and Usage

Our application may collect and use user data as permitted by Facebook's policies and in accordance with our Privacy Policy. We do not share or sell user data to third parties.

2. Requesting Data Deletion

If you wish to delete your personal data associated with our application, you can follow these steps:

1. Go to your Facebook account settings.
2. Navigate to "Apps and Websites".
3. Find our application in the list of connected apps.
4. Click "Remove" and choose the option to delete all data associated with the app.

Alternatively, you can submit a data deletion request by contacting us at support@meshape.app. Please include your Facebook User ID and a request for data deletion.

3. Processing Time

Upon receiving a valid request, we will delete all associated user data within 30 days and confirm the deletion.

4. Contact Information

For any questions or concerns regarding data deletion, please contact us at:
